- If selected, you must be registered for the NCPD Summit by June 1, 2023. No compensation will be provided to session presenters.
Abstract Categories

**ACCRED Talks: Best Practice in Accreditation**
Show how your organization supports and integrates best practice as an Accredited Provider of NCPD.

**Abstract should include:**
1. How has your organization used the Accreditation in NCPD criteria to remove barriers and build capacity to enhance and improve nursing practice?
2. How has being accredited improved your knowledge of NCPD and enhanced your vision for how NCPD can be advanced?
3. How does your Accreditation in NCPD support the strategic goals of your organization?
4. What is the best practice related to leading learning within your accredited organization NCPD programming that you want to share with your colleagues?
5. How can your best practice initiative be adapted into NCPD programs globally?
6. What additional tools or takeaways would you like to share with your NCPD colleagues?

**Times UP: Outcomes-Based CE (OB-CE)©**
Show how your organization has utilized the outcomes-based CE model – learning in the absence of time – to integrate a learner/team-directed educational approach that incorporates performance/quality improvement expectations into learning experiences that can positively impact nursing practice and patient/systems outcomes.

**Abstract should include:**
1. How has your organization implemented the outcomes-based CE model into practice?
2. How has outcomes-based CE impacted the professional development of your nurses in your organization and/or patient/system outcomes?
3. What key takeaways do you have to share with your peers within the NCPD landscape?

**Scholarship Roadshow: Take us on a Ride**
Show how you or your organization conducted research, QI or EBP that measurably impacted NCPD programming and/or operations as an Accredited Provider of NCPD.
Show the relevance to NCPD practice, clinical practice, interprofessional practice and/or system/public health and/or future research.

**Abstract should include:**
1. How did you or your organization conduct research, QI, or EBP for NCPD programming and/or operations as an Accredited Provider of NCPD?
2. The abstract should include the following:
   a. **Introduction:** “Why was this research or initiative chosen? What unsolved problem or opportunity for improvement are you addressing?”
   b. **Methods:** “How did you study this problem?” (Research) or “What was your clinical question?” (EBP) or “How did you identify relevant measures to track?” (QI)
   c. **Results:** “Report the data, analyses and/or outcomes.”
   d. **Discussion:** “How do you interpret the results or outcomes?”
   e. **Conclusion:** “What is the relevance to NCPD practice, clinical practice and/or system/public health and/or future research or initiatives?”
   f. **References:** References should use the APA 7th edition.
3. How might your findings inspire or impact ANCC Accredited NCPD providers globally?
4. What key takeaways do you have to share with your peers within the NCPD landscape?
**Team Spirit**
Showcase how you have leveraged team-based learning and the impact this had on your organization (team-based performance, patient, and system outcomes).

**Abstract should include:**
1. How have you ensured interprofessional collaboration to meet learners needs?
2. How did you assess team-based needs and planned educational activities that incorporate team-based learning strategies?
3. Discuss how team-based learning outcomes contribute to the strategic goals of the organization.
4. How has team-based learning impacted the professional development of your nurses in your organization and/or patient/system outcomes?
